### RSPB:

*Overall feedback from 75 students.*

The students liked the migration tern game, many commenting that they didn't really fully understand migration themselves. The story mats were well received particularly taking it through the seasons, a really simple idea but had a huge impact, children in the classroom would love it. It was also useful to find out that RSPB will lend out resources to use in classrooms.

**Overall score: 4**

### Belfast City Council Waste Division

*Overall feedback from 75 students.*

The students loved the interactive quiz, everyone had to stay alert and get involved. Lots of information on recycling and how to link the information into the different subject areas and lots of practical ways to engage the children in the class.

**Overall score: 4**
